

Motifs

You may choose a motif to add to your invitations or accessories for no additional charge, as long as it is printed in the same color and on the same side of the paper as the rest of your text. Please indicate the item code of the motif you have selected and designate its placement—these should be noted on your order form. Our layout artists will use their discretion when sizing your motif. If you have something specific in mind, let us know—a proof is highly recommended.
